The manufacturing resources
which have enabled Waring's to build up an unparalleled reputation for Interior and Exterior Decoration, Complete Furnishing, and Modern House Equipment, are placed at the disposal of Architects, for the execution of their own designs.

Architects are saved the expense,
trouble, and risk which are the inevitable consequence of employing many different firms upon one building, by placing their instructions with Waring's, whose facilities enable them to carry out at their own factories the Decoration, Lighting, Heating, Sanitation, Ventilation, and every requirement for the modern residence.
